UNIFORM POLICY

CREATED: 05/14
UPDATED: 10/25
REVIEW DATE: 07/26

Rationale

In accordance with the Regulation under the Education Act, the Governing Council has the power to decide the appropriate uniform for the school. All students in years 7-12 at Heathfield High School are required to wear the school uniform.

Like many of our policies, this forms a part of our school culture and helps shape students' values going forward. The concept of uniform is important as it promotes a sense of community and equity among students, helping to create a focused and respectful learning environment. Our students' conscious compliance represents a commitment to, and recognition of, one of the expectations at Heathfield High School that contributes to building the school culture.

The clothing is durable and cost effective, and with everyone in uniform, it contributes to provision of a safe school environment.

We kindly ask for your support in ensuring that your child follows the policy. Should your child arrive at school in incorrect attire, you will be communicated with by your child's Home Group teacher.

Non-Compliance

Students who are not compliant with school uniform will be asked to change into a school provided uniform on days they attend with the incorrect uniform, or simply remove the non-compliant attire. Students may also be restricted from accessing recess and lunch breaks while in non-uniform clothing.

- On the first occasion, a behaviour record for non-compliant uniform will be recorded and the garment/hat/item may be confiscated and handed to Student Services. An email from the homegroup teacher will be sent home to inform parents about the situation. This will be noted on Daymap under 'Action Communication'. Any confiscated items can be collected from Student Services at the end of the day.
- On the second occasion (within the same term as the first occasion), a behaviour record for non-compliant uniform will be recorded and the garment/hat/item may be confiscated and handed to Student Services. Any confiscated items can be collected at the end of the day, once the student has completed a 20-minute detention, during Break 1 in the Reflection Room.
- On the third occasion (within the same term as the second occasion) for non-compliant uniform, the garment/hat/item of clothing may be confiscated and handed to Student Services. The item can then be collected at the end of the day. The non-compliant student will be followed up by the Year Level Leader and contact will be made with the Parent/Caregiver.

In the event of the student not having access to the correct uniform, we recommend parents provide students with a written note from home explaining non-compliant clothing. The student would still likely be required to loan/borrow the correct uniform, if available.

Parents and students are advised that any garments other than the approved uniform items are NOT part of the school uniform and are therefore unacceptable.

Where to Purchase the Uniform

It is highly recommended that all items of the school uniform are purchased from Hills Schoolwear at Mt Barker (exception - plain, completely black shoes, white or black socks). This will avoid non-compliant uniform.

Uniform Items

- Heathfield short sleeve polo shirt with embroidered school logo
- Heathfield long sleeve polo shirt with embroidered school logo
- Heathfield dress - maroon, blue and white check (registered design). It is highly recommended that students wear 'bike shorts' under their dress.

Please note:

- In relation to the dress, skirt and shorts, the school will continue to educate students about self-esteem, body image and reputation. This will assist in ensuring students make the decision to wear school clothing at a reasonable length so others are not uncomfortable.
- A completely plain white or completely plain navy short-sleeved, round-necked t-shirt may be worn under the short or long-sleeved polo shirt for extra warmth
- No accessorising to any school uniform item is permitted
